

Press release

## NEW HEADQUARTERS FOR FIDIA CO. IN MICHIGAN

**Turin, November 26th, 2015** – Fidia S.p.A. announces that the subsidiary Fidia Co. has signed a purchase contract for an industrial building of around 14,000 square feet, in Rochester Hills, Michigan, USA.

The building will be assigned to host the new headquarters of the US subsidiary.

The building was purchased for an amount of \$1,260,000.00. It has been determined to properly face the increased functional needs of the subsidiary, related to the credit granted to Fidia products by the American market and to the increasing turnover in the country.

***Fidia S.p.A.**, headquartered in San Mauro Torinese (TO), Italy, is a world leader company in the design, production and distribution of high-performance integrated milling systems, primarily applied in the manufacturing of molds and dies for automotive industry and in aerospace field. With more than 40 years of experience and 336 employees, Fidia is known as one of the few companies able to provide solutions for the complete milling process, from the definition of the machining program to the finished product. Fidia produces, distributes and maintains worldwide numerical controls for milling systems, high speed milling systems, CAM software for the cutting of complex shapes.*

**Fidia S.p.A.** (Reuters FDA.MI – Bloomberg FDA IM) is listed on the STAR segment (MTA) of the Italian Stock Exchange and has a capitalization of approx. € 33 million.
